“Yea, and now behold, O my son, the Lord doth give me exceedingly great joy in the fruit of my labors...” Alma 36:25

Dear Sisters-in-Christ,

As we know, the General Ladies' Uplift Circle Aim #1 is “To assist The Church of Jesus Christ in its Missionary work, especially among God's Covenant People, the American Native and also among the Gentiles.” With that in mind, we have a unique and pressing opportunity to assist the NAOC in making telephone calls to approximately 1900 Native organizations across the United States and Canada. Through our calls, we will verify contact information for receiving an NAOC publication, *First Voices Journal* (<http://first-voices.org/>), and provide a venue for later follow-up by our Church ministry.

During a recent conference call with General Ladies' Uplift Circle Officers and Area Presidents, it was recommended that we request at least three or four Sisters from each of our seven regions who will be asked to make about 60 to 90 phone calls each over an extended period of time.

We need willing callers who can make local calls in their areas as well as those who have unlimited long distance on their telephone service. A list of Native organizations with the organization's telephone number, address, and other pertinent information will be provided to callers in each of the seven regions of the Church. In addition to making the telephone calls, we need the callers, or others who can assist, to enter the verified data into the Church's RIP (Resource Information Planning) System.

Training and support will be provided to callers, so please be confident in knowing that you will not be forgotten throughout the completion of this very important missionary effort and that, through data monitoring, calls and information will not be duplicated.

We look forward to joining our efforts to spread The Gospel through this coalition of telephone calls. **Won't you please join us in reaching out to the Native people of North America?** If you or someone that you know is interested in helping to make the telephone calls or to input data into the RIP System, **please contact Sister Connie at unicondr@verizon.net or at one of the following phone numbers: 410-991-9641 (cell) or 410-923-0626 (home) by February 6, 2011.**

I look forward to hearing from you soon. May God continue to richly bless your service to Him.

Many blessings and much love in Christ,

Sister Connie Frankenbery ☺
